

TPHC Spring Newsletter 2010

President's Note:

I just wanted to welcome you to the 2010 Show season. This year we have a few new classes added to this year's program that I'm sure everyone will like. I hope we are ready to have fun this year.

Spring Equine Trade Show and General Meeting is on April 17th at Dymond Hall from 10- 3 pm.

Silent Auction table will be there also, if you have anything to donate for it please contact us.

Just a reminder that you need to participate in 3 shows in order to qualify for year end points.

We also will be asking for your 3rd party liability insurance before your show or trail ride this year.

Please bring a copy of it with you.

My first year as your President has started and it has been a busy start, and I have thoroughly enjoyed your comments, ideas and feedback, please keep that input coming.

Change is always a challenge; embraced by some, resisted by others, but it can be healthy and revitalize an organization when appropriately introduced and for the right motives.

For the former, I committed to resurrecting our TPHC Newsletter as some members don't have access to a computer or internet, so when you do your membership this spring please inform us on how you would like to communicate with us by email, mail or both. I know you will enjoy the result based on your comments.

I also have kept the web-site fresh and informative, giving the members timely updates on what's going on with the club and its members. Thank you to some new and old sponsors this year as it is greatly appreciated.

We are all hoping to see some fresh faces at this year show season and hope all will have fun.

Please send all your comments to anyone on our Board of Directors.

Your President

Tanya Beaudry.

Bring home the money at the Sept 25th show with carded WHAO Judge, John Ward whom will also be judging the English event the same day. Mr. Ward loves to help those that are seeking how to improve their riding and showing abilities, so don't be afraid to approach him if you're there. To make this show even more interesting, we're throwing in a stakes class with each class! So don't miss it!!

So here's wishing you all luck for the 2010 summer show season!

Anna Sawicki

Western Performance Director

English Director: Betty -Anne Durocher

This year is going to be a exciting one for our English riders both young and old. We have some great judges lined up and some new and interesting jump courses designed. We also hope to add a dressage suitability /command class to our class list.

The executive committee is also working on the production of TPHC jackets and hoodys with a very classy TPHC design with the Canadian flag. (Very Olympic Like!) We hope these will sell well and will be taking orders at our annual meeting. When buying a hoody or jacket you are helping support your club.

So dust off your saddle and horse and get ready for a great season.

May the horse be with you!

Betty Ann

Mounted Games: Amiee Heroux

As Spring settles in another season of Mounted Games takes shape. We have 3 competitions scheduled for the season. I hope to see lots of new games riders join in with the more seasoned riders. The more riders and ponies the more interesting it gets.

Spectators are more than welcome to come and watch, the louder you cheer the faster our ponies go!

Horse News around our area:

TPHC had a late sleigh ride at CA-JO Sleigh Rides on March 14th at 4:00 pm and it was a very mild day with very little snow on the ground, but everything went very well and had lots of fun.

We want to thank Caroline and Jose Denis for letting us have a great time!
